

### CELEBRATING THE LIFE OF DR. JAMES HAROLD BOWLES

(Ms. SPANBERGER asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. SPANBERGER. Madam Speaker, today I rise to celebrate the life of Dr. James Harold Bowles. Dr. Bowles was born in June 1921, and raised on the Pea Ridge in Goochland County, Virginia.

Dr. Bowles served in the U.S. Army and graduated from Virginia Union University before attending medical school and returning home to Goochland to open his medical practice. As he began his career serving his patients, Dr. Bowles continued his service as the first African American to serve on the Goochland County Board of Supervisors where he worked to strengthen our community for 32 years.

He was a lifetime member of the NAACP, a trustee of Emmaus Baptist Church, and an active member of community organizations across central Virginia. Above all, he was a beloved husband, father, brother, uncle, grandfather, and great-grandfather. He left an indelible mark on our community.

Madam Speaker, I leave you with the advice Dr. Bowles frequently gave. May it guide our work here in this Chamber.

SMILE. S, seek to understand before being understood; M, make others feel important; I, it is not about me; L, listen twice as much as you speak; E, emphatically, enthusiastically, and quickly admit it when you are wrong.

When you do this, dialogue can be easily achieved.

### HONORING THE LEGACY OF WILLIAM R. CARTEAUX

(Mr. BUCSHON asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BUCSHON. Madam Speaker, I rise today to honor the legacy of a great Hoosier, William R. Carteaux, the President and CEO of the Plastics Industry Association, and a dedicated supporter of the U.S. plastics industry which employs nearly 1 million Americans.

Mr. Carteaux passed away on December 10, 2018, after bravely fighting leukemia. Having worked with Bill, his passion for the U.S. plastics industry, which employs more than 50,000 Hoosiers and more than 10,000 in my district alone, was unmatched.

Bill pushed the entire industry to focus on recycling and sustainability, bringing together industry leaders and innovators to find effective market-based solutions to our environmental challenges.

Bill was first diagnosed with leukemia in 2016, and he set out to beat the disease for himself and others. He eventually chaired the Washington area Leukemia & Lymphoma Society

and raised hundreds of thousands of dollars.

The U.S. plastics industry is stronger today because of Bill's efforts, and he will be sorely missed.

Our thoughts and prayers are with his wife, Daniele, and his two daughters, as we honor his legacy and impact here in the House today.

### RECOGNIZING NEW MEXICO ORGANIZATIONS THAT SUPPORTED FEDERAL EMPLOYEES DURING THE SHUTDOWN

(Ms. TORRES SMALL of New Mexico asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. TORRES SMALL of New Mexico. Madam Speaker, I rise today to recognize the food banks and organizations across New Mexico that supported Federal employees, contractors, and their families during the shutdown.

I especially want to thank Arlene Murillo and the Border Patrol Agent Family Network in Sunland Park, New Mexico. It was an honor to witness their collaborative work, to feed their neighbors who were affected by the shutdown, or otherwise fighting hunger for other reasons.

New Mexicans were among the hardest hit when the government stopped paying its bills, but these organizations showed what it is to be New Mexicans, and embody the value to always have your neighbor's back.

Now that the damage and disruption of the shutdown is over, we as a Congress have a responsibility to ensure it never happens again. That is why I joined fellow freshman and signed on to the Shutdown to End All Shutdowns Act yesterday, to keep hardworking Americans from paying the price for Washington's brokenness.

Madam Speaker, I invite my colleagues on both sides of the aisle to do the same.

### HONORING THE LIFE OF FIRE CHIEF JOHN WEAVER

(Mr. SMUCKER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SMUCKER. Madam Speaker, today I rise to honor one of Lancaster County's most honored public servants and a true hero, former Denver Fire Company Chief, John Weaver, who passed away on January 26.

John served our community for 50 years. He became a junior fireman when he was just 14 years old. He later joined the Denver Fire Company when he was 18, in 1969.

He held every officer position, including fire chief. He became a fire instructor, and most recently, he was one of the primary drivers for the fire department. He was a brave man who helped make the fire department what it is today.

John was also an entrepreneur who founded a manufacturing company,

Weaver Industries. Beyond working for the fire company and saving lives there, John was also involved in our community. He believed in giving back and serving others.

He served on the Cocalico School Board for 12 years, and coached golf and bowling. John found great joy in helping people and set a wonderful example for all of us.

He leaves behind a wife, three sons, and four grandchildren. May we remember his giving spirit and may he rest in peace.

### HONORING THE LIFE OF JACK SHIFREL

(Ms. WASSERMAN SCHULTZ asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. WASSERMAN SCHULTZ. Madam Speaker, it is with a heavy heart that I rise to honor the life of Jack Shifrel, a distinguished Army veteran, former Broward County Public Schools school board member, fierce veterans' advocate, and most importantly, my friend for 30 years.

Mr. Shifrel served as president of the Broward Veterans Coalition and was always on the front lines in responding to the critical needs of our community. He worked tirelessly to make sure the men and women who served our Nation maintained their dignity and well-being.

Jack was an indomitable civic force and had a lifelong passion for politics, serving 10 4-year terms as a Democratic Party committeeman in Broward County.

He was a passionate advocate for the underserved, a defender of civil rights, and someone who helped make Broward County a kinder, more compassionate community.

He was a dear friend and embodied the best of what it means to give back to your country and your community.

Although Jack is no longer with us, his legacy lives on through veterans that he served with, and the countless individuals whose lives he changed for the better.

Jack Shifrel was one of a kind, a selfless, compassionate, and tireless advocate for others in Broward County. He was a patriot in the truest sense, and will be profoundly missed, but never forgotten.

Mr. SPANO. Madam Speaker, I rise today to recognize the importance of school choice. Last week was National School Choice Week when individuals from all over the country gathered to raise awareness of different education options available to parents and their kids.
